

Fee Schedule for Services

Senior Plan with College Search Assistance -- \$2000

Includes information and assistance in the following areas:

- College search
- Strategies for organizing the application process
- Completion of college applications
- Evaluation of essays for content, structure, voice and spelling
- Preparation of Activities Resume
- Materials and information regarding early decision/early action, letters of recommendation, college visits, college interviews and related topics

Senior Plan without College Search Assistance -- \$1500

Includes all of the services above, minus the college search. This plan is appropriate for the student who has already decided to which colleges (s)he wishes to apply.

Comprehensive Plan for 10th and 11th Grade Students -- \$2400

Includes the following services in addition to those listed in the Senior Plan with College Search Assistance above:

- Career/college major assessment
- Academic plan, including course selection
- Test preparation resources and timing
- College exploration and visit strategies
- Summer experience options
- Assistance with crafting an optimal Activities Resume, including community service resources

This plan provides the student with the opportunity to develop a customized plan that will maximize the student's high school experience and position the student for success in the college admissions process.

Hourly rate for specific task assistance -- \$125

This fee is payable upon receipt of service.

No payment is required prior to the initial meeting. However, half of the total package fee is due at the initial meeting. This fee must be paid before additional services can be rendered. The remaining fee is due August 1st of the senior year. Payment is by cash or check only.
