## TERMS AND CONDITIONS

- Eastside College Consultants makes every good faith effort to help students navigate the college choice and admissions process. However, we cannot make college selection decisions or guarantee admission to any particular institution.
- Eastside College Consultants helps students choose an appropriate essay topic and craft a well-written composition which reflects the student's own personality, values and ambitions. However, the student is the author of the essay/personal statement.
- Eastside College Consultants assists students with completing college applications but does not complete the applications themselves.
- Eastside College Consultants assists students with the process of requesting letters of recommendation but does not write letters of recommendation for the student.
